LASER BACKGROUND BOARD

The Laser Background Board (Marble Pattern) series blends the timeless sophistication of natural marble with a modern laser-reflective surface, creating a visually captivating display that changes beautifully with light and viewing angles.

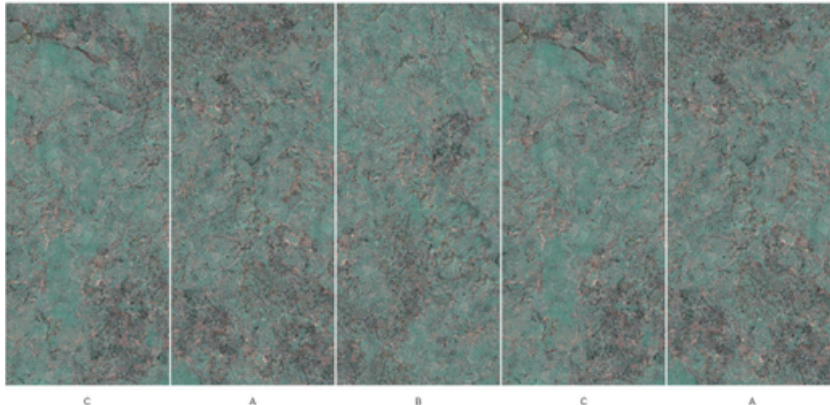

The unique combination of marble veining and shimmering laser effects introduces depth, movement, and artistic brilliance, transforming ordinary walls into stunning design focal points

DETAILS

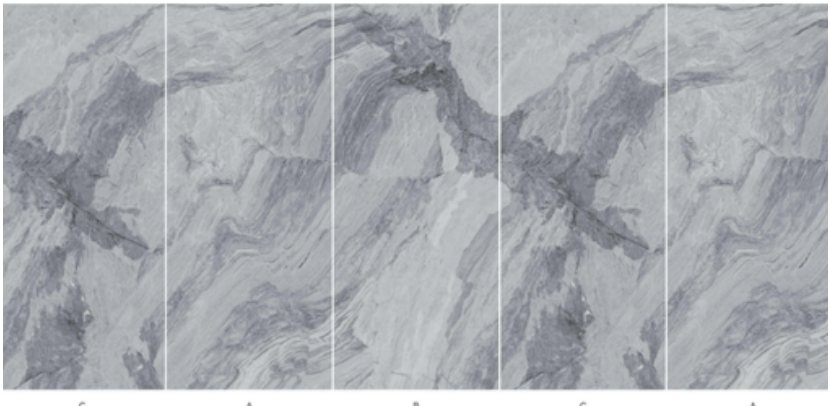

- Material: Coextruded layer+ Bamboo charcoal fiber PETG
- Width: 1200mm
- Length: 2400/2600/2800
- Thickness 5/8mm
